Dear Horsemen,  
First and foremost, thank you for your continued patience and cooperation as we try to navigate through these times. As many of you probably know, Churchill Downs will be conducting the Fall Race Meet with a limited number of racing fans and spectators but in doing so we are required to follow very specific guidelines set forth by state and local health officials. In an attempt to be compliant with some of these guidelines, we had to implement new policies and new procedures for the Fall Meet. After a few days of being open and gathering feedback we have made a few adjustments to the plan that we wanted to communicate to you all as well as remind you of other protocols that are still in effect.

- Entry into the Facility for Racing  
a. One of the guidelines that we are operating under calls for Churchill Downs to have the names and information of all individuals entering the facility. After gathering feedback from the first few days, we understand this process caused some delays for horsemen attempting to enter the facility from the Paddock Gate. In an effort to correct that, Steve Hargrave has 2 Horsemen Entry Passes for each trainer. These passes will allow horsemen to bypass the ticketing window and directly enter the facility at the paddock gate entrance. There is also a designated section of parking directly in front of the gate that is being held for horsemen coming over to race or claim. Stop by the Stable Office to pick up the Horsemen Entry Passes. The passes are good for each day of racing and just need to be scanned upon entry at the gate. Alternatively, Horsemen may drive through over from the barn area through the infield tunnel and park in an area under the grandstand on the front side.
- Paddock Access  
a. The Paddock access protocols from Spring and September are still in effect for the Fall Race Meet. Two (2) owners per horse and (Four) 4 trainer staff members are allowed to access the paddock area during racing. These same individuals should be the only individuals in the Winner's Circle as well. Ownership groups with multiple members are encouraged to socially distance themselves around the paddock apron area for paddock viewing.
- Backside Mask Enforcement  
a. As a reminder, face coverings should be worn at all times while on Churchill Downs property. Churchill Downs Security will be monitoring the backside area and enforcing the mask policy. Please remind your staff to be vigilant about properly wearing their masks when in and around the barn area.

We are in the homestretch of racing and training here in Louisville and we greatly appreciate all of you and your team members efforts in helping us safely operate these racing meets. We are asking for you and your staff to maintain your vigilance and continue your safety practices as we near the finish line.

As always, please feel free to reach out to any Churchill Downs racing team member or myself if you have any questions or feedback!  
Thank you all, Gary

Albin Jimenez will be represented by Jose Santos, Jr 305-979-7779

The emergency relief fund specifically addresses the needs of backside communities by providing meals, micro-grants and financial assistance with emergency needs as well as the fulfillment of essential care for horses.
