

Horsemen Communication May 13, 2023

Below is a shuttle map for horsemen. Please note that if you have frontside tickets and wish to use the shuttle, you must scan your ticket on the way out in order to re-enter frontside.

The quickest way to get to the temporary paddock and winner's circle from the frontside or any dining room is to walk. To best direct your owners and guests, we advise that you tell them to take the elevators or escalators from where they are to the ground level and then follow the directional signage to the first turn.

The second floor of the First Turn building will be open for you and your owners to watch the races. A bar and self-serve betting windows are available there.

Thank you again for your patience as we navigate the construction. We will continue to keep you updated as we adapt to the temporary landscape. And please let us know if you have any thoughts or suggestions to help make the experience more enjoyable for all.
