- A complimentary meal ticket will be provided
- Complimentary race day program provided

Location: ITW Area

Date: Sundays, June 4, 11, 18, 25

Registration: 11:30 AM to 1:30 PM in the Churchill Downs ITW at the top of the Gate 17 escalators

Please Note: Contest is limited to 400 total entries with a limit of 3 entries per person.

How the Contest Works:

- The contest is a game of skill of handicapping Thoroughbred horse racing.
- Each contestant/player will start the day with a \$24 imaginary bankroll.
- Each contestant must “wager” exactly \$2 to win and \$2 to place on six (6) designated races from Churchill Downs – Races three (3) through eight (8).
- Contestants may wager the \$2 to win and \$2 to place on two different horses.
- Contestants win or lose imaginary wagers according to actual results of the live races.

Note: The contest is not part of the regular pari-mutuel wagering system, and because contestants “wager” with an imaginary bankroll, “wagers” made in the tournament will not result in winning money through that system.

Registration:

Players must be legal U.S. residents at least 21 years of age to participate. Contest entry fee is \$35 per entry. There is a \$5 discount for Twin Spires Elite members. Gold and Platinum level players can get one free entry with the purchase of one entry. **Each contestant must register in person with valid government issued identification. The limit is four wagering cards per person.** The Handicapping Contest is limited to the first 400 entries. Registration begins when gates open at 11:30 AM, inside the ITW at the top of the Gate 17 escalators, and closes approximately 10 minutes prior to the start of the 3rd race at approximately 1:30 PM. Entry into the contest is on a first-come, first-served basis and once the first 400 entries are filled, there will be no more openings.

These documents must be signed and prizes claimed at Churchill Downs within the time period stated by Churchill Downs Inc. (“Churchill Downs” or “Sponsor”). Winners will be responsible for paying applicable taxes. No prize substitutions will be allowed and prizes may not be exchanged, transferred or reassigned.

Types of Wagers:

\$2 win and \$2 place wagers:

- Six (6) races from Churchill Downs – races three (3) through eight (8).

Please wager early to avoid being shut out.

Wagering:

A contestant receives a contest-wagering card with a confidential personal account number. Use this card at any newer version F-4 Self-Serve or new G terminals on the property to place wagers. Handicapping contest wagers will not be accepted at the other mutuel windows at Churchill Downs. A participant may elect to not make a wager on any race, but the \$4 for that race will not remain in the account. **There is a CAP placed on ALL PAYOFFS. The WIN cap is 20/1 (\$42). The PLACE cap is 10/1 (\$22).** However, only contest account credit is awarded; no money is paid on contest wagers.

Players must place all wagers personally. No person shall directly or indirectly act as an intermediary, transmitter or agent in placing wagers for the player, unless authorized by Churchill Downs and for good reason shown. Need not be present to win (contestants may place wagers for all races at the official start time and inquire about results at a later time.)

United Tote's computer will track each contestant's account balance. When a wager is made, the amount is automatically deducted from the contestant's imaginary bankroll. Contestants will receive an unofficial "tote ticket" when they place a wager. This ticket is a receipt, intended only to help the contestant keep track of his/her contest wagers. Contestants should hold on to all tickets until the end of the contest. Should any questions arise regarding individual accounts; the "tote tickets" will be needed to verify the accounts. "Tote tickets" cannot be used to access an account, only the personal account number indicated on the contest card can access account information. Tickets are non-transferable.

Contestants are urged to check their tickets for accuracy before leaving the mutuel window. Once betting is closed for a particular race, contestants will not be allowed to wager or make any changes to previously made wagers on that race for any reason whatsoever, including without limitation error, mistake, misunderstanding, technical difficulty, equipment failure, or any other cause of whatever nature.

Scratches:

In the event of a late scratch, contestants who have "wagered" on a scratched horse will have the opportunity to make another selection prior to the post time and close of betting for that specific race. If a new selection is not made prior to post time and close of betting for that specific race, contestants will be deemed to have wagered on the post time favorite.

Standings:

Current contest standings and account balances will be posted after each race at select TVs around the property.

Ties:

In the event of a tie for 1st place, the winner will be determined by the following tiebreakers:

1. Total number of correct wagers
2. Number of correct win wagers
3. Largest winning wager (actual pari-mutuel price)
4. The second largest winning wager
5. The third, fourth, fifth, etc. largest winning wager

For all other ties, respective prize money will be shared equally
